

SPINNAKER RIDGE COMMUNITY CLUBHOUSE AND POOL

The Spinnaker Ridge Community Association clubhouse and pool are available for the use and enjoyment of all community residents and invited guests.

Each household should have one key that provides access to the clubhouse front door, and pool during the pool season. Per PIERCE COUNTY GUIDELINES our pool is not accessible in the off season (Sept-May).

POOL

POOL REGULATIONS:

The pool is available for use of Spinnaker Ridge residents and guests from Memorial Day through Labor Day (Depending on weather) from 9:00 am to 9:00 pm daily.

We are required to follow the PIERCE COUNTY POOL RULES. The county routinely inspects to ensure rules are being followed. If infractions are found, the pool may be shut down.

THIS IS NOT A PUBLIC POOL.

Only residents and their invited guests are permitted. Residents are defined as owners as well as tenants. Guests must be accompanied by a resident.

There is NO LIFEGUARD ON DUTY. Each person using the pool does so at his or her own risk.

The pool cannot be reserved for a private event.

There is a RED PHONE for emergencies only - located in the spa room.

There is a First Aid Kit below the red phone.

ABOUT OUR POOL

Safety is always first.

We attempt to maintain water temperature at approximately 86-87degrees.

The pool is cleaned and treated twice per week by Aqua Care.

Volunteers are needed to monitor the temperature, for spring clean-up and fall closure. This is often done by pool users but everyone is invited to participate.

Pool users are asked to keep the pool area clean: **When leaving lower umbrellas, return chairs, clean table tops, return toys to the spa room, take your trash with you, sign out. If you are the last pool user please close the clubhouse/pool doors, turn off lights and lock the gates.**

Guests using the pool may only access the spa/bathroom area of the clubhouse. Guests may not enter the clubhouse in bathing suits.
